They shouldn't be bringing their own chairs at all. Is there a way to stop it completely or move them to an actual bench?

Hello Lorena,

I know we've had this problem in the past, but can we get PBID security to keep people from bringing their chairs and setting up on the sidewalk? They set up chairs in the afternoon (between 2PM and 5PM) and smoke in front of the business. Will you please have security work on this daily?
